FINAL SHIPMENT STATUS

PASS WITH REMARKS

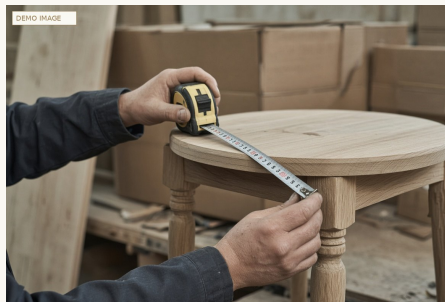

Shipment: proceed after correction or written buyer approval of the 2 minor marks.
Re-inspection: only if corrective action is requested. Sample lot only — not the unchecked units.

4. Photo log

Demonstration images. Each frame is marked DEMO IMAGE. Not from a client order.

01 Lot / stacked chairs

02 Dimensions vs specification

03 Minor finish mark — seat edge

04 Export packing

5. Packaging

- 2 pcs per carton (example).
- Marks: product code, quantity, destination UAE — as in the brief.
- Corner protection present. Visual check only.

This sample illustrates the type of pre-shipment QC report GulfCN can provide.
After the first live inspection, replace with an anonymised real report.
